

**Spritzguß  
Die Klassiker**

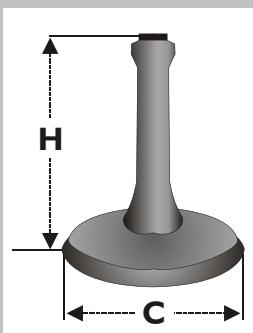

Die Lampenfüße sind aus Spritzguß gefertigt. Die Oberfläche hat eine dunkle und leicht metallisch schimmernde Patinierung. Viele Modelle sind in unterschiedlichen Höhen lieferbar.

Die Lampenfüße werden ohne elektrisches Zubehör und ohne Schirmträger geliefert.

**Injection Casting  
The Classics**

The lamp bases are produced by an injection casting technique. The surface has a dark, metallic shimmering patina. Many models are available in different heights. The lamp bases are supplied without electrification and without lamp harps.
